REPORTS.

REPORT OF THE COMMITTEE ON THE BIBLE CAUSE.

Your Committee report from the Fairfield Circuit, by Rev. J. K. McCain, $50.70 collected and forwarded to parent society. From Berkeley Circuit, by Rev. R. R. Dagnall, $15 collected and paid over to Agent. From Black River Circuit, by Rev. Wm. Carson, collected and paid us $1.

As a body of Christian ministers, we are as much impressed as ever with the importance of distributing the Word of God throughout this and all other lands, so cheapening it as to place it in the hands of all, however poor. We regard it as the basis of all good morals and true piety, its teachings as the only proper means of an advanced civilization, and its principles as the palladium of our liberties as a nation.

From long and close observation of the workings of the American Bible Society, we are satisfied that our course hitherto in making it the almoner of our charities in this line of benevolence is wise; and we are prepared, as a Conference, to pledge ourselves to renewed fidelity to this grand organization; therefore,

Resolved, 1. That we renew our former pledges to the American Bible Society and our devotion to the great work of Bible distribution.

Resolved, 2. That we will welcome the agents of this society to our several fields of labor, and coöperate with them by our influence and effort in their Godly work.

WILLIAM MARTIN, *Chairman.*

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

The Committee on Books and Periodicals submit the following Report:

It affords us pleasure to announce the continued success attending the business of our Publishing House at Nashville. The Report of the Book Agent and Book Committee referred to your Committee shows the Publishing House to be in a most prosperous condition, both in regard to its financial status and the issue of books and periodicals from its presses. The wise management of our Book Agent and financial skill of the Business Manager have been largely rewarded during the past year by the increased profits arising from the augmented sales of books and periodicals and other legitimate business of the house. We are gratified by the increase of authorship among us. A number of new books have been issued the past year, edifying our people and yielding a good supply of wholesome literature. We especially commend Dr. Shipp's History of Methodism in South Carolina.

The *Christian Advocate*, published at Nashville, Rev. O. P. Fitzgerald, D. D., Editor, grows in interest and usefulness. We are glad to note increase in its circulation amongst our people.

Our Sunday school literature cannot be too highly spoken of. The editors, Dr. Cunnygham and Rev. J. A. Lyons, spare no pains to make it worthy of universal adoption in our Sunday schools.

There have been mailed from the Publishing House, as shown by the last Report of the Book Agent submitted to us, of the various Sunday school periodicals more than three and a half million copies. We believe there are now more of our Sunday school periodicals in use in our Conference bounds, by far, than ever before. We believe this is largely due to the attractive style in which these publications are brought out, as well as the instruction they afford.

The *Advocate of Missions* is a good paper and should receive the patronage of the whole Church.

The *Woman's Missionary Advocate*, edited by Mrs. F. A. Butler, has a circulation of more than nine thousand copies, of which nine hundred and forty are taken in South Carolina. It should be in all our homes.

The Quarterly Review, edited by Rev. J. W. Hinton, D. D., of Macon, Ga., is not only measuring up to its former high standard of intellectual ability, but is adding to the literature of high grade already obtaining in Methodist quarterlies. It is much improved in mechanical execution and general excellence. The subscriptions have met the expenses of publication; increased, they will enable the publisher to further improve the *Review*. It should be in the hands of, at least, all our preachers.

The *Southern Christian Advocate*, our Conference organ, under the editorial management of Rev. S. A. Weber, continues to do well. It has steadily grown in favor with our people. The publishers, Messrs. Walker, Evans & Cogswell, more than a year ago entered into a new contract to continue two years, from December 31, 1882, with the Publishing Committee of the South Carolina Conference, to publish the paper at $2.00.

This was under the belief that the reduction in price from $2.50 would result in a large increase to the subscription list. The actual increase has not been commensurate with the expectations of the publishers and Committee of Publication. It is, therefore, urged that the agents make renewed effort to add to the subscription list. There are 4,100 subscribers, of which 330 get it at $1.25. We ought to have at least ten thousand subscribers, which would yield a handsome income to the Conference.

We would recommend to the Conference a system of colportage, and that a Colporteur be employed in each Presiding Elder's District to sell our books and aid in the introduction of our periodicals and publications into all the Methodist families in our bounds, and that the Colporteur be employed by the Presiding Elder of each District and offer for sale only such books and periodicals as may be approved by the Presiding Elder.

We recommend the books issued from the Publishing House and above mentioned periodicals to the attention and use of our people and pledge our hearty coöperation to their introduction.

J. WALTER DICKSON, *Chairman.*

REPORT OF THE BOARD OF EDUCATION.

The Board of Education beg leave to submit the following Report of the present condition of our institutions of learning, with suggestions for their increased efficiency:

Wofford College.

This institution has entered upon its thirtieth collegiate year. One hundred and seven students have been enrolled. The present material of students is very encouraging as to number, age and character. Thus far the session has been quiet and pleasant. There has been the usual exemption from disease among students and professors, with the exception of a long and severe attack in the case of Prof. W. W. Duncan. His untiring labors have told upon his strength, and for several weeks he was confined to his room. With prudence and limited work for a while, we hope he may be fully restored.

Columbia Female College.

It is gratifying to be able to report that this institution for the higher education of young ladies is enjoying an unusual measure of success. It is better prepared to do good work for those who commit their daughters to its care than it has been for some years. The Literary, Music and Art Departments are in charge of a full and efficient corps of teachers. Within two years several thousand dollars have been spent in repairing the building and furnishing it with the most approved school furniture. The boarding department is well conducted and an earnest effort is made to bring the pupils within the influence of a neat and cultured Christian home. During the session, and under the ministry of Rev. W. C. Power, the Pastor of the Washington Street Church, and of Dr. A. G. Haygood and Rev. W. A. Candler, of Georgia, God blessed the school with a gracious visitation of power, which resulted in the conversion of a large number of the pupils and of bringing twelve of them into the communion of the Church.

The Alumnæan Association has undertaken to supply, and is now engaged in supplying, the rooms of the young ladies with new and neat furniture. The Association most earnestly asks the assistance of the friends of this College in this enterprise.

There are at present one hundred and twenty pupils connected with the College, of whom thirty-four are in the Preparatory and ninety-six in the Collegiate Department. Of these, sixty-six are boarding in the College.

Cokesbury Conference School.

The Rector, Mr. C. C. Reed, reports this school in good condition, having had sixty-two pupils in attendance during the year.

Paine Institute.

The Board has had before it a letter from the Chairman of the Financial Committee of the Board of Trustees of Paine Institute, asking for a contribution for the support of that institution for the ensuing year, and it is recommended that the preachers be requested to raise at least an average of two cents per member for this purpose.

We are about entering upon the centennial year of our history as a Church, and your Board desires to direct special attention at this time to the work of Christian education. No more important work is committed to the Church than the training of the young. Methodism has not been slow to recognize and attempt the discharge of this responsibility. The schools at Kingswood and Trevecca were the early testimonials of the recognition of this claim of the young upon their care by the founders of Methodism. And the ill-fated college at Cokesbury, Maryland, showed the zeal of Bishop Asbury in the same cause. Dartmouth and Princeton owe their origin to the labors of Whitefield and his followers, while the money of English Methodists aided in their establishment. South Carolina Methodism early took position in this work, and from 1794 to 1835 Mount Bethel, Tabernacle and Mount Ariel Academies did good work for the Church and the State. From 1835 the Cokesbury Conference School has been in successful operation; and for thirty years Wofford College has been pouring her benefits on.

Church and State in sending forth into them young men well supplied with the elements of a Christian education.

Now the demand for higher culture is more imperative than it has ever been, and the necessity for the supply of this demand by the Church is stronger than ever before. The world is moving forward with rapid strides, and new intellectual and moral forces are being evolved daily, which must be used by the Church to the furtherance of the cause of Christ, or by the enemies of the truth against the Church. To ignore these forces is foolish; to fail to use them is criminal. It will not do to trust the utilization of these things to individual Christian men who may happen to occupy positions in secular institutions. Let these do what they can; but the Church must have her own institutions, and the teaching must be under the direction and have the sanction of the Church.

In our own State peculiar difficulties beset us. The endowment on Wofford College was lost during the late war, and all the efforts put forth since then have failed to restore it; while the Columbia Female College has had, from its foundation, to carry the burden of a considerable debt. Besides this, the State has come into active competition with us in the education of our sons by the restoration of the South Carolina University. While we do not wish to be understood as complaining as a Conference against this action of the State, yet we see and declare the necessity that is upon us, in view of the facts before us, to endow Wofford College, that education may be offered by us to the young men of the country upon terms which bring the advantages of a liberal culture within the reach of all our people. Wofford College must be endowed if we would have it to live. We have been, and are still, looking confidently to this centennial year to see this greatly desired end accomplished. At our last Conference, it was resolved to attempt, during the years 1883 and 1884, to raise an average of two dollars per member from the membership of our Church in the State, for this endowment—which amount would realize one hundred thousand dollars to the College. The failure of the crops this year has greatly crippled the contributions to this purpose. The Financial Secretary reports about $15,000 raised in cash and good subscriptions during the past year. The incoming year is the centennial of our history as a Church, and almost of our history as a Conference. Throughout all the land great things are enterprised by the Church for this year. We as a Conference have ever been forward in every good work, and we will not be backward now. We confidently look for large contributions to attest the gratitude of the Church for God's abundant goodness during the past century. We believe no worthier objects present themselves to the generous bounty of the Church in our State than the endowment of Wofford College and the liquidation of the debt on the Columbia Female College. We need to concentrate our efforts upon some one object. Let this be ours. We should not abate one cent from the full assessments laid upon us for the other enterprises of the Church, yet we respectfully and earnestly commend this cause of Christian education as the object toward which our extraordinary efforts shall be directed during this centennial year.

We ask, therefore, for the adoption of the following resolutions:

1st. *Resolved*, That, while we urge the payment of every cent of the assessments laid upon us for the ordinary Church claims in order that no deficit may appear in our financial reports for this year, we urge with equal earnestness that our extraordinary and special donations as thank offerings for the hundred years of our past history be directed to the purposes of Christian education.

2d. *Resolved*, That we pledge our most earnest endeavor to raise during this centennial year the sum of one hundred and twelve thousand dollars; one hundred thousand dollars as endowment for Wofford College and twelve thousand dollars for the liquidation of the debt on the Columbia Female College.

3d. *Resolved*, That contributors to this Centennial Educational Fund be requested to name the institution for whose benefit they make their contributions; and provided the amounts donated to the debt of the Columbia Female College exceed the twelve thousand dollars asked for, and the one hundred thousand dollars for Wofford College be not raised, the surplus to the Columbia Female College be turned over to the Wofford endowment; and provided that if the amount raised for the endowment of Wofford College exceed one hundred thousand dollars, the excess be applied to the liquidation of the debt on Columbia Female College; and provided, further, that if more than the amounts asked for for each of these purposes be raised, each institution to retain its surplus.

For the proper carrying out of these resolutions, we suggest that the Presiding Elders be requested to provide for special meetings in the interest of this fund in the various charges of their several Districts; and that they inquire at each Quarterly Conference what the Committees appointed in the various churches are doing in this work.

Your Board recommends an assessment of four thousand dollars for ensuing year to be applied to the current expenses of Wofford College.

The Board requests the Bishop to make the following appointments: W. W. Duncan, Professor in Wofford College; O. A. Darby, President of Columbia Female College; A. M. Shipp, Professor in Vanderbilt University; S. Lander, President of Williamston Female College; and G. W. Walker, Professor in Paine Institute.

Rev. S. Lander has been appointed to preach the annual sermon before the under graduates at the next session of the Conference.

J. W. Wolling is recommended for appointment on the Committee of Examination for the fourth year, instead of T. G. Herbert.

Respectfully submitted,

W. W. DUNCAN, *Chairman.*

REPORT OF BOARD OF CHURCH EXTENSION.

The Board of Church Extension of the South Carolina Conference beg leave to submit the following Report:

There has been received by this Board from the various Circuits and Stations	$1,358 76
Received from Anniversary Collection	75 02
Making a total of	$1,433 78

Of this amount one-half goes to the parent Board at Louisville, Ky., and the other half, now in the hands of our Treasurer, Geo. W. Williams, of Charleston, is to be expended within the bounds of this Conference, subject to the order of our Executive Committee.

Some applications for aid have come before the Board; but inasmuch as no funds can be loaned or donated until blanks are filled furnishing certain information required by our Constitution, such applications could not be acted on at this meeting.

Respectfully submitted,

R. D. SMART, *Secretary.*

SUMTER, S. C., December 15th, 1883.

REPORT OF SUNDAY SCHOOL BOARD.

The great value of Sunday school work is recognized on all hands. To instruct the young and rising generation into the Kingdom of Christ, and to make them acquainted with Methodist doctrines and usages, is to secure the highest and largest success to the Church of the future. And this is a part of the important work to be done in the Sunday schools. We say a part of the important work, for it is understood that the Sunday school is no longer restricted to the young, but that the entire Church may, and ought to, here engage in the study of the Word of God. It is recommended by this Board that all the members of our churches and congregations be urged to unite in Bible classes in the Sunday schools for this important purpose. The best books and appliances should be obtained, and no church fund is better expended than that which is used in buying Sunday school literature and all other helps to make the Bible more fully understood.

The Sunday school literature sent out by our publishing house is considered in every respect good, and all the Sunday schools are urged to take and study our own books, papers and magazines.

The Board, after mature deliberation, respectfully submit the following resolutions:

1st. That we recommend that, as far as practicable, there shall be formed during the year a Sunday School Convention in each County within the bounds of the Conference, and that the pastor or pastors of the church or churches located at the respective County seats shall be charged with organizing such Conventions.

2d. That this Conference recommend that the first Saturday in May be observed as Children's Day, and that on the Sunday following the services be devoted specially to the children.

3d. That each pastor place in a foot note on his statistical report the number of persons coming into the Church during the year from the Sunday schools, said figures to be aggregated by the Sunday School Board in its report to the Annual Conference.

4th. That Rev. R. C. Oliver be appointed Sunday School Agent for this Conference.

W. T. CAPERS, *President Sunday School Board.*

J. W. WOLLING, *Secretary.*

REPORT OF THE BOARD OF MISSIONS.

The Secretary of the Board of Missions begs leave to submit the following Report:

The Mission Board found it necessary last year to recommend that the sum of $6,950 be appropriated for the support of Domestic Missions and for aiding weak charges within our Conference boundaries.

The following is a summary of the Reports to the Board:

Charleston District.

The Board decided a year ago to establish a mission in the City of Charleston, to be known as the Charleston City Mission. The result of one year's experience shows the wisdom of the action. The Mission has been served this year by Rev. J. E. Beard. A church building has been erected, valued at $2,000. A membership of fifty-three has been brought together, ten infants have been baptized, a Sunday school of one hundred and thirty-five pupils and seventeen officers and teachers. They have raised for all purposes $344.51. We regard the Mission as very promising and recommend its continuance.

St. Stephen's Mission has been served again by Rev. J. W. Murray. There are five preaching places, (an increase of three,) one church building, with good prospect of one or two more next year. There are sixty-seven white and eleven colored members. One Sunday school with five officers and teachers and twenty pupils. Nine infants have been baptized. Paid for the support of the ministry $73.00. We recommend its continuance.

Orangeburg District.

Edisto Mission has been served by Rev. M. M. Ferguson. It continues to do well. There are reported ninety-seven members, two Sunday schools, five officers and teachers, one hundred pupils. There are two church buildings. Contributed for the support of the Gospel $45.89; other objects, $29. The Board recommends its continuance.

Graniteville and Vaucluse.

There are one hundred and thirty-one members, two Sunday schools, fourteen officers and teachers, ninety-two pupils, fifty volumes in library. There is one church building valued at $2,500. They have paid for the support of the ministry $406.82; for all other purposes, $244.35. We recommend that this Mission be continued.

Columbia District.

The Columbia City Mission was served by Rev. L. M. Little. It continues to be prosperous. They report this year a church building valued at $1,000, though unfinished. They have a finely equipped and prosperous Sunday school. A good work is being done. We recommend its continuance.

Florence District.

Black Creek Mission. This new Mission has been served by Rev. Miles H. Joy and reports one hundred and thirteen members, six infants baptized and eight adults, one Sunday school, three officers and teachers, with twenty-five pupils. They have paid for ministerial support $25.95; for building and other repairs, $70. We consider the Mission as doing well and recommend its continuance.

Scranton Mission has been served by Rev. H. J. Morgan. There are sixty-six members and one church building, two Sunday schools with six officers and teachers and fifty-five pupils. It has a parsonage valued at $500. Contributed for all purposes $56.50. We recommend its continuance.

Spartanburg District.

Spartanburg City Mission continues to do well. They report one church building valued at $400; a membership of ninety-nine; adults baptized, ten; two Sunday schools; eighty-four pupils; six officers and teachers. Contributed for ministerial support, $20.00. Believing that a good work is being done, we recommend its continuance.

Cokesbury District.

Parksville Mission has been served by Rev. J. Ware Brown, and reports four preaching places, all on the A. and K. R. R. It reports thirty-five members; four adults and five infants baptized; one church building, valued at $1,000, has been erected this year, and another will soon be completed worth $600. We recommend its continuance.

REPORT OF COMMITTEE ON TEMPERANCE.

Earnest voices are resounding through our State. The conflict between the Church and the saloon is deepening. The friends of the opposite forces are rallying with eager and determined purpose. The saloon advocates are environed by the strong fortresses of law, political and partisan favor and long established precedent. The Church, David like, trusting in God, has raised the banner inscribed "For God and Home and Native Land," for the destruction of intemperance. Woman, with tear-dimmed eyes and bended knee, is praying for victory. Children are rallying fathers and brothers to the front, and one far-spreading tidal wave is sweeping over these lands for its overthrow. The shouts of victory are heard on every hand. Even the defeats at some points are but the nucleus for the gathering cyclone which is destined to sweep the States and leave no vestige of the liquor traffic. Often, as we stand in awe before the formidable forces, with their seeming superior advantages from a human standpoint, we hear the voice of Jehovah commanding "GO FORWARD!" In the name of our God let us advance against this common foe of the Home and the Church. The history of our beloved Methodism has ever been as true in this regard as the needle to the pole. She has wreathed laurels about her brow. She stands forth in disciplined and aggressive warfare as an uncompromising enemy of intemperance.

Therefore—

Resolved, 1st. That we will give our hearty support and encouragement to all temperance organizations and efforts looking to the overthrow of the legalized traffic in intoxicating liquors.

Resolved, 2d. That we, the representatives of *fifty thousand* people of this State, do hereby memorialize the GENERAL ASSEMBLY OF SOUTH CAROLINA to expunge from the Statutes of our State the Act permitting and regulating the sale of intoxicating liquors for revenue, and that we wipe out, as far as we may, the foul blot now defacing our proud history—*i. e.*, a government supported by the moral and physical ruin of her unfortunate citizens; and, further, that the license law itself has no foundation in moral or political economy, but is subversive of all law: hence it is ruinous and should be repealed.

Resolved, 3d. That as Ministers of the Gospel we will continue preaching and lecturing for the formation of a healthy public sentiment in favor of prohibition.

Resolved, 4th. That the third Sabbath in November be observed as a day for special prayer to God for His blessings upon efforts making for prohibition.

Resolved, 5th. That for the better informing our people on the general question of temperance, we commend to their patronage "THE TEMPERANCE WORKER," published in Columbia, S. C., and beg that they subscribe for the same.

Resolved, 6th. That we invite the coöperation of all Christian people in earnest efforts for the total abolition of the liquor traffic.

Respectfully submitted,

H. F. CHREITZBERG, *Chairman.*

REPORT OF COMMITTEE ON DISTRICT CONFERENCE JOURNALS.

The Committee appointed to examine the Records of the District Conferences of the South Carolina Conference beg leave to submit the following Report:

The Records of the *Charleston District Conference* make no mention of the denomination to which the Conference belongs. There is no roll of its members. There are many mistakes in spelling, some of which are too grave to go unnoticed, as, for example, on page 9, volumes is spelled "voliams," and on page 5, doxology is spelled "doxsolegey." The President of the Conference signs his name as "P. E." instead of as President, and there is reason to fear that within a few years the Records may fade away, so pale and indistinct is the ink that is used.

The Records of the *Orangeburg District* are well kept. We call attention to the fact that the President of the Conference signs his name as "P. E." instead of President, and his signature is where the Secretary's should be, and the Secretary's where his should be.

In the Records of the *Columbia District Conference* no mention is made of the Annual Conference to which it belongs, nor is the number of the session stated. On the first page the name of the presiding officer appears in pencil. There are also other pencil marks in the Journal. No regular roll of members is given, but simply those who were present. The Journal appears in different handwritings. The Secretary signs the Minutes of every session, and at the conclusion of the Journal his signature is to the right under that of the President, instead of to the left. The name of the President of the Conference is signed "P. E." instead of President.

In the Minutes of the *Sumter District Conference* no mention is made of the Church to which the Conference belongs. It is stated that "forty-six members answered to their names," without mentioning who they were. The roll indicating who were present and who were absent appears as an appendix instead of at the beginning of the Record. The Committee cannot approve of the manner in which the Reports from the different charges appear upon this Record. As, for instance, the Report from Lancaster Station, page 351, is as follows: "Lancaster Sta. I. 1, I, 100,00 III. 1200.00 IV 125.00 V, 125.00 VI, not satisfactory to our people. VII, (1) yes. (2) pretty well."

It is true there is a key to this, which makes it intelligible after some study. All the Reports from the charges are recorded, page after page, in a similar manner, and this seems to have resulted from the way in which the Reports were made rather than through any fault of the Secretary.

This Journal is to be commended for its neat and business like appearance.

The Committee mention with special commendation the Records of the *Florence District Conference.* We would call attention, however, to the fact that there is no regular roll of members, and only those present are mentioned. It also appears that several persons took part in the proceedings who are not recorded as having been present.

In the Minutes of the *Marion District Conference* there is carelessness exhibited both in spelling, as on pages 127 and 128, and in construction, as on page 135, where it reads that Dr. J. T. Wightman "put out as a suggestion," &c., instead of Dr. Wightman suggested. These Records are in three different handwritings, which greatly detracts from the general neatness of their appearance. There are also blurs on pages 128 and 142 that do not indicate sufficient painstaking in the preparation of so important a Record.

The Records of the *Spartanburg District Conference* do not state the number of that session of the Conference nor in what building it was held. There is no roll of members, but simply a record made of those who were in attendance, and the Secretary signs his name on the right and above that of the President. There is marked improvement, however, in this Journal.

The Minutes of the *Cokesbury District Conference* are well kept. However, they do not give the number of the session, neither does the year appear at the head of the different pages; and on pages 131 and 138 no mention is made of who occupied the chair. On the whole this Record is a model of neatness.

In the Journal of the *Greenville District Conference* the number of the session does not appear, neither are there any headings at the top of the pages. The different sessions of the Conference are not distinctly indicated. The President signs his name as "P. E." instead of President. Ink of different colors is used, and these Records cannot be commended on the score of neatness.

Respectfully submitted,

R. D. SMART, *Chairman.*

REPORT OF COMMITEE ON MINUTES.

The Committee on Minutes has received for the publication of Minutes the following:

Collections from charges	$436 89
Balance from last year	1 96

We have examined the Report of the publishers of Minutes for the past year, and find it correct, and would express our great satisfaction at the mechanical execution of the Minutes and the dispatch with which they were brought out.

The Committee would express, moreover, their highest approval of the editorial work of Rev. Messrs. W. C. Power and H. F. Chreitzberg, and would respectfully nominate these Brethren to again edit and superintend the publication of the Minutes of this session of the Conference.

We recommend the continuance of the assessment plan, and that five hundred dollars be assessed upon the various charges for defraying the expenses of the Secretary's office and for publishing the Minutes of the next session of the Conference.

ERRATA.

At page 64 a mistake was made in paging, and the next page was numbered 67 instead of 65. The error was discovered too late to be remedied without great delay in getting out the work. The succeeding paging runs consecutively, and the mistake is only apparent at page 64 and what should have been 65.

RESOLUTIONS.

ACKNOWLEDGING COURTESIES.

1. *Resolved*, That the South Carolina Conference, in closing its present session, records with gratitude the cordial reception and unbounded hospitality extended to its members by the citizens of Sumter and vicinity.

2. *Resolved*, That we appreciate and heartily reciprocate the spirit of Christian courtesy manifested by the pastors and officers of the several churches in the town, in placing their respective houses of worship at our disposal on the Sabbath.

R. D. SMART,
D. O. HERBERT.

The following Resolutions were adopted by the Conference, December, 1881:

I.—EXPENSES OF THE SECRETARY'S OFFICE.

Resolved, That hereafter the sum of twenty dollars be added to the amount assessed for Minutes each year, for defraying the expenses of the Secretary's office, and that these expenses be paid by the Committee on Minutes.

WM. C. POWER,
O. A. DARBY,
S. LANDER.

II.—PRESIDING ELDERS REQUIRED TO HEAR APPLICANTS PREACH BEFORE PRESENTING APPLICATION TO CONFERENCE.

Whereas this Conference is sometimes embarrassed in passing upon the qualifications of applicants for admission on trial into the traveling connection; and whereas it is of the first importance that the vote on all these applications should be cast intelligently; therefore,

Resolved, That it is the sense of this body that Presiding Elders be required to hear the applicant preach at least once before presenting his application to the Conference, and that he be able to inform the Conference as to the general fitness of the applicant for the work of an itinerant preacher.

WM. C. POWER,
THOMAS RAYSOR,
S. B. JONES,
C. H. PRITCHARD.

XI.

MEMOIR.

REV. DAVID DERRICK.

By REV. J. L. STOKES.

Rev. DAVID DERRICK was born July 28th, 1800, in the Dutch Fork of Lexington, S. C. He was of German parentage and was reared as a Lutheran. After attaining manhood he was awakened and converted under Methodist auspices, and at once united himself with that Church. He was shortly afterwards made an exhorter, then a local preacher, and on the 11th of January, 1827, he was received on trial into the South Carolina Conference.

With few educational advantages in early youth, and naturally timid, he had painful misgivings on entering the ministry, but by close application and the fullest consecration he rose to a highly respectable position in the Church. His voice, of wonderful power and sweetness, enabled him to excel in song, and he was remarkably gifted in prayer; while his fidelity, tenderness and piety made him a true pastor. In the pulpit his whole bearing was one of transparent earnestness, making him instrumental under God in the conversion of hundreds of souls.

The various charges served by him are as follows: 1827, Cypress Circuit; 1828, Laurens; 1829–30, Newberry Circuit; 1831–32, Keowee Circuit; 1833, Yadkin Circuit; 1834, Centre Circuit; 1835–36, Montgomery Circuit; 1837, Centre Circuit; 1838–39, Newberry Circuit; 1840, Edgefield Circuit; 1841–44, Cheraw District; 1845, St. James; 1846–48, German Mission; 1849, Columbia Circuit; 1850–51, Lexington Circuit; 1852–53, Georgetown District; 1854–55, Charlotte District. Superannuated from 1856 to 1882.

He was superannuated in 1856, and was in this relation to our Conference for many years. He did not, however, cease his labors, but, as far as health permitted, traveled extensively among his friends, and everywhere proclaimed the everlasting Gospel of the grace of God.

In 1846 he was happily married to Miss Anna B. Veach, of Charleston, S. C. She preceded him, in 1877, to the heavenly world. They had no children.

His last years were spent in Columbia, S. C., in connection with Marion Street Church. The writer was his pastor for three years. His presence at our services was always a benediction, and our intercourse was precious. Surely there never lived a spirit purer, sweeter, freer from anxious care, or less soured by the infirmities of age. He never complained of God's providence, and always took the bright and hopeful side as to the future of the Church. After several months of more than usual indisposition he passed quickly away, January 12th, 1883.

"The memory of the just is blessed."

WILLIAMSTON
Female College,

WILLIAMSTON, SOUTH CAROLINA.

In closing the twelfth year of its life and labors, the WILLIAMSTON FEMALE COLLEGE tenders thanks to the public for the liberal encouragement it has enjoyed, and looks forward with hope and enthusiasm toward still greater success in the future.

The reader is respectfully invited to examine the following statement of its

LEADING PECULIARITIES.

1. SEMI-ANNUAL SESSIONS open on the first Monday in February and August, and continue twenty weeks each. (1) Each Session is followed by a six weeks' vacation. Teachers and pupils rest before becoming entirely exhausted. (2) Classes are formed in each Department twice a year. New pupils are better classified, and thorough scholarship more easily secured, than on the Annual Plan.

2. THE ONE STUDY PLAN.—Each Session is divided into four "Sections" of five weeks each. During the Mathematics Section, each Academic pupil recites three times a day in Arithmetic and once in Spelling; and each Collegiate pupil three times in either Algebra, Geometry, or Trigonometry, once in Arithmetic, and once in either Spelling or Reading. Another Section is devoted to Natural Science, another to Languages, and the other to Belles Lettres. After an experience of thirteen Sessions, we believe that our labors are much more serviceable to our pupils than under the system of crowding several difficult studies on their attention at once.

3. GRADUATION IN PRIVATE.—Being convinced, after extensive experience, that Public Commencements involve great expense of time, labor and money, without corresponding advantages, we have discontinued them entirely; and we have been gratified to find that this innovation meets with very general favor.

4. GRADUATION EIGHT TIMES A YEAR.—At the end of either "Section," any pupil who has finished the Regular Course may close her connection with the College by graduation. The advantages of this feature are obvious.

5. A BEAUTIFUL GOLD GRADUATION PIN is given instead of a Diploma, if preferred.

6. TUITIONAL PREMIUMS.—Every regular pupil whose sessional average is eighty per cent., or more, is entitled to a discount of from ten to sixty per cent. from her next Session's regular tuition.

The Ninth Session of the University has opened with a full corps of Professors, a good attendance of Students, and increased facilities for instruction. The recent Gift of One Hundred Thousand Dollars, by Mr. WM. H. VANDERBILT, for the enlargement of the School of Engineering and Technology, has put this School at the head of its class in the South. The Messing System will be adopted by many of the best students of the University, and the cost of living reduced to $12.00 per month. The best education at the least possible cost is the policy of the government of the University.

Resolutions Adopted by the South Carolina Conference:

1. *Resolved*, That the Conference raise during the years 1883–4 for the College $100,000, to be known as the **Centennial Endowment Fund of Wofford College.**

2. That in order to carry out the foregoing resolution, the Conference instruct each preacher to appoint a committee at each church in his charge to aid him in raising at least one dollar for each member annually, for two years.

3. That the Conference request the Financial Secretary of the College to give, if possible, more of his time to the work of assisting the preachers in carrying out the above plan.
